

The Ocean is Moving In.

Weigh In On Options to Minimize Risk

Rising seas will affect how visitors use and access state beaches in San Diego County. Share your feedback on a range of potential actions State Parks could take in the future to protect state beaches.

Win prizes!

1 Join an Event

Share your local knowledge and feedback at family-friendly community events planned throughout San Diego County.

Connect with us at our **second round** of engagement events to weigh in on the next steps.
