

Coastal Funding Database Categories

Last Updated: April 25, 2025

The following outlines the types of opportunities found in each of the Coastal Funding Database Categories. This is **not** an exhaustive list. Some of the opportunities added to the CFD are cross-cutting, so they have multiple categories.

Category	Examples
Natural Resource Management (includes: Restoration, Conservation, and Protection)	<ul style="list-style-type: none"> • Restoration – invasive plant removal • Marine Protected Areas • State Water Quality Protection Areas • Other Effective area-based Conservation Measures • Land Acquisitions • Water Quality • Wildlife Protection and Endangered Species • Adaptive Management
